<b>Investment revenue</b> (thousands)	\$567,975	\$718,173
<b>Funded position</b> (thousands)	\$1,673,269	\$1,812,671
<b>Funded ratio</b> (per cent funded)	133.0%	136.5%

<sup>1</sup> Time-lost claims and the time-lost claim and disabling-injury rates are projected. This approach is taken to ensure claims for accidents occurring in 2007 but not reported by year-end are considered.

<sup>2</sup> Previously inactive claims reopened for a number of reasons including payments for medical aid or requests for further compensation benefits.
