

Claims Reporting Performance

- Details

This report gives you detailed information on each claim such as date of accident, nature of injury, and part of body injured. It is a convenient and paperless way to access your claims records when you need it.

For Accidents Occurring: August 7, 2009 to July 21, 2010

Data is based on injury reports received from employers and workers to date and is unaudited and subject to change.

Days to Report columns are from DOA (date of accident) and DRE (date the worker reported the accident to the employer) to the date the employer's report is received at the WCB.

In Latest Claim Decision, "Processed" means the claim costs are <\$1000 and lost time or modified work not indicated.

All date fields are month/day/year.
