Data is based on injury reports received from employers and workers to date and is unaudited and subject to change.

Days to Report columns are from DOA (date of accident) and DRE (date the worker reported the accident to the employer) to the date the employer's report is received at the WCB.

In Latest Claim Decision, "Processed" means the claim costs are <\$1000 and lost time or modified work not indicated.

All date fields are month/day/year.
