

CONTRACT REFERENCE GUIDE FOR REPORT FORM (C960)
(WHEELCHAIR ASSESSMENT)

Service Description

The Wheelchair Assessment is used to determine a Worker's manual or power wheelchair needs.

The service provider shall not render an opinion directly to the Worker with respect to the extent of their injury, compensation, treatment, vehicle or modification needs without prior WCB Claim Owner authorization. The Service Provider shall direct the Worker back to the attending WCB Claim Owner to address these issues.

Reporting/Service Guidelines

1. The service provider shall commence the assessment within five (5) working days from the date of referral.
2. The service provider shall provide the completed Wheelchair Assessment Report to the WCB within five (5) working days from the date of the Assessment.
3. The report shall address the criteria as outlined in the Wheelchair Assessment, as well as specific issues and questions identified by the Claim Owner.
4. The report shall be **typewritten**.
