By law, employers are required to report injuries that their workers suffer while on the job. If your worker has been injured, you have **72 hours** after becoming aware of an injury or illness to submit the Employer Report of Injury form. The sooner we receive your information, the faster we can determine entitlement to benefits and services for your worker.

You must submit a report to WCB if the accident results in, or is likely to result in:

- **lost time or the need to temporarily or permanently modify work** beyond the date of accident
- **death or permanent disability** (amputation, hearing loss, etc.)
- **a disabling or potentially disabling condition** caused by occupational exposure or activity (poisoning, infection, respiratory disease, dermatitis, etc.)
- **the need for medical treatment beyond first aid** (assessment by physician, physiotherapy, chiropractic, etc.)
- **incurring medical aid expenses** (dental treatment, eyeglass repair or replacement, prescription medications, etc.)
