

WCB made *easy*

We have a variety of educational seminars and workshops available to help you manage your WCB accounts. The best part: most of them are free to WCB account holders.

RETURN TO WORK (MODIFIED WORK) SEMINAR

This seminar will help you put a solid plan in place to get your injured workers back to work safely. You will learn important information about workers' compensation legislation, as well as best practices for building and implementing your own successful modified work and return-to-work programs.

ACTION PLANNING SEMINAR

Supporting your employees after an injury helps them recover and safely return to work, and can position your account to have lower premiums. In this seminar you'll learn how to strengthen your disability management program and develop an action plan with specific goals and objectives to support your employees and help you manage your future premiums.

EMPLOYER INFORMATION SEMINAR

We'll teach you the fundamentals of the workers' compensation system and cover a range of topics, including insurable earnings, subcontractor liabilities, managing your account and the impact of claim costs on premiums.

PREVENTING WORKPLACE VIOLENCE SEMINAR

Creating a safe workplace isn't only important, it's the law. This seminar will help you ensure you're in compliance with the OH&S Code, as well as develop practical strategies for creating a safer workplace.

APPEALS SYSTEM SEMINAR

We'll give you an overview of the appeals process and tell you what you need to know to be able to initiate, prepare and present a claim appeal.

We host most seminars in Calgary and Edmonton, and often in other locations around Alberta, depending on demand. Most are a half-day in length. Our Millard Treatment Centre also offers several workshops for employers, on topics like modified work, ergonomics and physical demands analysis. For more information, head to www.wcb.ab.ca > Millard Treatment Centre.

For more information, please call 780-498-4694 or head to www.wcb.ab.ca > Resources > For employers > Seminars and workshops.
