

## What's changed *(Please read the policy documents for complete information):*

Please note that policy changes since the last issue are indicated by shaded text or shading in the left margin within the policy itself.

### Policy 04-04, Part I – Permanent Disability

- Policy 04-04, Part I, used both the terms “not capable” and “incapable” interchangeably. The policy was updated to consistently use the term “incapable” throughout the policy. Because this policy was recently updated on January 1, 2025, the January revisions remain shaded in grey. The February 19, 2025, revision is shaded in blue.
