Qualifications

- MD Doctor of Medicine, University of British Columbia, 2011
- LMCC - Licentiate of Medical Council of Canada
- FRCSC - Fellow, Royal College of Surgeons Canada - Neurosurgery

Dr Hockley is currently practicing Neurosurgery in Edmonton at the University of Alberta Hospital and the Royal Alexandra Hospital.

He completed a BSc. in Mathematics from the University of British Columbia, followed by an MD degree also at U.B.C. Subsequently he completed Neurosurgical residency training at the University of Calgary and was made a fellow of the Royal College of Surgeons of Canada (FRCSC) in 2017. Dr. Hockley completed additional subspecialty training in complex spine surgery at New York University.

Dr. Hockley returned to Canada to practice in Edmonton and is currently an Assistant Professor in the Department of Surgery at the University of Alberta. He maintains an active role in research, and teaching both medical students and post-graduate students.

He lives in Edmonton with his family and enjoys spending time in the great outdoors.
